Dear Madam,

13 JUL. 2007

I wish to acknowledge receipt of your communication of 23 May 2007 as well as the reference material provided in support of the communication subsequently forwarded by our Tokyo Office on your behalf. The communication, by which the Working Women's Network, the Women's Union for Workers of Trading Company and the Women's Union Nagoya submitted comments on the application of the Equal Remuneration Convention, 1951 (No. 100) by Japan, was received during the International Labour Conference in Geneva, though after the Committee on the Application of Standards had already completed its work.

In accordance with established practice, this communication, as well as any comments that the Government of Japan may wish to make on the matters raised therein, will be brought to the attention of the Committee of Experts on the Application of Conventions and Recommendations.

Yours faithfully,
For the Director-General:

Cleopatra Doumbia-Henry,
Director of the International Labour
Standards Department.
